

TURN LIFE UP TO 10 WITH THE EARGO 5 APP

Personalization with a Tap on the App

Once you've purchased Eargo 5 hearing devices, download the Eargo app to tailor your Eargos for your hearing preferences and lifestyle. Connect the charger, then use **Sound Match™** to completely customize your Eargos to your hearing needs. Available on iPhones running iOS 12.0+ and Android devices running operating system 7.0+.

FEATURES

- Complete personalization with **Sound Match™**
- Three (3) specialized listening environments
- Configure volume, treble, and bass
- On-the-go adjustments
- Informative how-to video archive
- Handy 30-day tutorial
- Set up and manage alerts and reminders
- Stay up to date with the latest software updates

THE APP THAT STARTED IT ALL

Wherever Life Takes You, Eargo is There

The app allows personalized settings for different listening environments. So whether you're at a restaurant, on the phone, watching TV, or at the theater, you can be sure you won't miss a beat.

Pump Up the Bass (and Treble)

You can customize your treble and bass settings for each ear and to each program. So whether you're all about that bass or consider yourself more of a treblemaker, you're sure to find the perfect setting for you.

Answers at Your Fingertips

If your settings could still use a few tweaks, our licensed hearing professionals can make additional programming changes to your Eargos. All you have to do is contact them with the touch of a button.

Enhance Your Listening Experience

Download the Eargo Neo HIFI app today to customize your listening for your unique lifestyle. Available only on the iPhone for or later, iPad Pro (all sizes), iPad Air (all models), iPad mini 2 or after, iPad (all 2012 or after) and Android devices running operating system 6.0 or after.
