

### How Selfie Dad helped his daughter get a smile she loves with SmileDirectClub

Cassie and her dad (aka Selfie Dad) both became week supporters. But she wouldn't show her smile until she had invisible aligners sent directly to her. Here, neither of them can stop grinning.

SmileDirectClub is proud to be the nation's first and only online orthodontic provider. Our award-winning aligners are made by our in-house dental technicians and are delivered directly to your door.

When you're ready to get started, our online SmileDirectClub app will guide you through the entire process, from taking photos to receiving your aligners. It's so easy, you can be up and smiling in just a few days.

What do you think about Cassie's smile? She says she really likes it. She says she's proud of her dad for helping her get it. She says she's proud of her dad for helping her get it. She says she's proud of her dad for helping her get it. She says she's proud of her dad for helping her get it.
